

GOETHE-UNIVERSITY, CAMPUS V

Reference

Frankfurt, Germany

General:

Building Type: Library

Client Hessisches Baumanagement

Architecture Thomas Müller Ivan Reimann Ges. von Architekten

Completion: 2011 - 2012

Description:

The "Campus Westend" of the J.W. Goethe University was extended with a building for the Institute of Education and Social Sciences and the university administration. The faculty building houses various institutes and a common library. Lindner carried out screed, floor system, floor coating and covering works. The library, the foyer and the cafeteria were fitted with doors, wall- and ceiling cladding and built-in furniture.
