Concept/Product: , , ,

Building Type: Concert hall/Theatre/Lecture theatre/Function rooms

Client Wissenschafts- und Kongresszentrum GmbH & Co. KG

Architecture fs-architekten PAUL SCHRÖDER ARCHITEKT BDA

Completion: 2014

Description:

In order to further increase its capacities, the science and congress center "darmstadtium" erected a new congress hall. Having a total area of 650 m², it seats up to 390 visitors.

Lindner fitted the hall with plasterboard systems which, being a design feature, emphasise the modern look of the premises. A few accompanying works were also carried out by Lindner.

Completed Works:

F0 Metal ceiling

LMD-St - Expanded Metal ceilings

Painter, paperhanging and varnishing works
