

FRAPORT VIP LOUNGE

Reference

Frankfurt, Germany

General:

Concept/Product:

Building Type: Airports

Client: Fraport AG

Architecture: MM-Design

Completion: 2014

Description:

The Fraport VIP Lounge offers the comfort of a 5-star hotel to its traveling guests. While the recuperate from traveling in the Lounge's multi-faceted interior, processes such as the check-in are done for them. Its unusual design concept aims to differ the VIP Lounge from common airport lounges.

Like many others, this challenging project was executed by the General Contracting Division of Lindner Group. In a mere 8 weeks of construction time, all planned works as well as numerous additional performances were completed to the customer's utmost satisfaction. By completing all works during the tight schedule, the customer was able to accommodate football fans on their journey to the 2014 World Championship.

Completed Works:

Screed works

Painter, paperhanging and varnishing works

Tiling and flagstone works

Metal construction works

Fraport VIP Lounge
